Meals To Go: Butter Chicken with Basmati Rice and Naan Bread

Most of our Meals To Go are fully cooked and only need to be reheated for you to fully enjoy them.

Heat the meals until the minimum internal temperature of 165°F (74°C) is reached. Since appliances vary, these instructions are guidelines only. You may need to adjust the heating time based on your oven type and preferred eating temperature.

HEATING INSTRUCTIONS:

OVEN:

- Preheat oven to 350°F (175°C).
- Remove the plastic lid of the container.
- Place an aluminum lid or foil on the container and heat for 12-15 minutes until dish reaches minimum temperature of 165°F (74°C).
- Remove from oven, uncover, and stir before serving.

MICROWAVE:

- Remove the plastic lid of the container.
- Empty contents into a microwave safe bowl or container.
- Heat on high for 1 minute. Stir thoroughly and return to microwave for 1 minute or until the product reaches the desired serving temperature of 165°F (74°C)
- Carefully remove from microwave and stir prior to enjoying.
