College Admission Requirements:

Autism and Behavioural Science Certificate Program applicants must have:

- Ontario Secondary School Diploma (OSSD) or equivalent
OR
- Mature Student status (19 years of age or older)

- proof of having completed a recognized diploma or degree in Education, Early Childhood Education, Child & Youth Worker, Social Service Worker, Rehabilitation, or related discipline

- current resume

- an up to date police records check - required two months prior to any field placement.

Certificate Requirements: To be eligible to receive the Autism and Behavioural Science Certificate Program candidates must successfully complete all the courses listed in the Program of Study.

Current CPR (Basic Rescuer, Level "C") and Current Standard First Aid are required in your first semester of classes. (These courses are also available at the college on evenings or weekends – see onCourse Catalogue online for schedule at <http://extraweb.algonquincollege.com/>)

FIELD PLACEMENT:

Agencies that allow the College access for the field placement may require students in this program to have a clear police records check.

To be eligible to participate in the field placement, you must submit proof of a clear police records check to the Program Department prior to the beginning of placement.

If you have been convicted of an offense under the criminal code for which you have not been pardoned, you may be unable to participate in the field placement. Successful completion of the field placement is a requirement for graduation.

If you register in the program and have a criminal record for which you have not received pardon, you must meet with the Departmental Chair prior to the first day of classes.

It is your responsibility to obtain this police records check from your local Police Department and to pay for any associated costs.
