Algonquin College Bunkhouse Donation to Camp Smitty

Algonquin College will donate two student-made bunkhouses to Camp Smitty on Tuesday, November 27. Students in the Building Construction Technician Program built two completely finished 14' x 28' x 12' bunkhouses that will increase the housing capacity on the Camp Smitty grounds. The buildings were constructed on the Woodroffe Campus and are designed to split down the centre to simplify the building's transportation.

Who: **John-Paul Tapp**, Dean, School of Transportation and Building Trades, Algonquin College
Tony Bond, Corporate Development, Boys and Girls Club of Ottawa
Brad Marsh, Ottawa Senators Alumni
Ottawa Senators Alumni Members
