Algonquin College Students host the Fourth-Annual Movie Night Film Festival and Awards Ceremony

The Algonquin College General Arts and Science, Media and Communication students will host the fourth-annual Movie Night Film Festival and Awards Ceremony on Thursday, April 17, on the College's Woodroffe Campus. The evening will showcase short documentaries, comedies, dramas and animations directed and produced by Algonquin's film studies students. Alan Neal, host of CBC Radio's *Bandwidth* and *Canada Live*, will emcee the event that will also feature poetry, music and visual art produced by Algonquin College students.
