Discover Algonquin's Heritage Institute at its Annual Spring Open House

The Algonquin College Heritage Institute in Perth, Ontario, will host its annual Spring Open House on Saturday, April 14. The public will have the opportunity to tour the campus, talk to instructors and students and learn more about the Campus' unique programs. The event will include a donor appreciation presentation, a Heritage Masonry program information session and an Office Administration program session entitled "Office Admin – How Your Career Can Begin!" which will include a draw to win a portable DVD player.

The Algonquin College Heritage Institute offers six unique full-time programs, including the internationally-renowned Heritage Carpentry and Masonry programs. Its newest offering is the Construction Carpentry-Advanced Housing program, focused on modern building techniques and environmentally-friendly construction. The highlight of this year's Construction Carpentry-Advanced Housing class is the student-built "E-Cottage." Social Service Worker, Personal Support Worker and Office Administration-Executive programs are also offered at this Campus, providing job-ready graduates in the Health Care and Business industries.
