**ALGONQUIN COLLEGE RECEIVES
HEIDELBERG DONATION**

Algonquin College's Print Media program will receive a state-of-the-art equipment donation from Heidelberg Canada. The donation includes a pair of two-colour presses and one state-of-the-art Computer-To-Plate (CTP) system worth in excess of half-a-million dollars. With this donation Algonquin College becomes the only learning institution in Canada to feature the new industry-standard CTP system in its curriculum.

Tours, refreshments and equipment demonstrations will be available following the presentations.

Who: Algonquin College President Robert Gillett will officially receive an equipment donation from Heidelberg Canada President Richard Armstrong.

What: Algonquin College's Print Media program receives equipment donation in excess of half-a-million dollars.

When: **Friday, Nov. 29**
Presentations from 10:30 a.m. to 11:15 a.m.
Tours and Demonstrations from 11:15 a.m. to 3:00 p.m.

Where: 'C' Building, lower-level lobby
