**Date sent:** June 22, 2005  
**Date of event:** June 23, 2005

**Algonquin College *InfoCafé***

Algonquin College is hosting an *InfoCafé* on Thursday, June 23. This is a special event that will give prospective students the opportunity to explore a variety of full-time programs, such as Bachelor of Applied Technology-Photonics, Game Development and programs in the College's General Arts and Sciences department. Faculty members and industry experts will be on hand to talk about their programs and employment trends for the future. Program-specific tours and presentations will be given throughout the event and all attendees can enter a draw to win one of two Algonquin College bursaries.

**Who:** Coordinators, professors and students from various full-time programs

**What:** Algonquin College *InfoCafé*

**When:** **Thursday, June 23, from 4:00 p.m. to 7:00 p.m.**
