Paramedic Graduates Honoured on Police and Public Safety Alumni Wall of Fame

A tribute to the graduates of Algonquin's Paramedic Program will be on display on March 29 in the main lobby of the College's Police and Public Safety Institute (PPSI). Plaques will contain the names of more than 600 Paramedic program graduates who have gained employment in their field since the program began in 1977.

Algonquin College Paramedic graduates have, for the third year in a row, topped the success list in this year's provincial paramedic exams. The program has also received 100% satisfaction rates from graduates and employers in the recent province-wide Key Performance Indicator (KPI) survey.
