ALGONQUIN COLLEGE AND OCRI HOST RESEARCH DAY

Algonquin College's Office of Applied Research, in conjunction with the Ottawa Centre for Research and Innovation (OCRI), is hosting its inaugural Research Day. The College's ongoing applied research activities in the School of Advanced Technology, the School of Media and Design and the School of Health and Community Studies will be featured through presentations and demonstrations. Tours will be given of Algonquin's Hapto-Visual Research Centre, High-Definition Cinema Lab and Tele-Health Research Clinic, as well as the College's three photonics labs, animation and TV production studios and the manufacturing and robotics lab.

Who: Members of Ottawa's research community will be on hand as Algonquin College's Director of Applied Research and Development Dr. Jack Treuhaft and OCRI President and CEO Jeffrey Dale give welcoming remarks at Algonquin College's inaugural Research Day.

What: Algonquin College's inaugural Research Day.

When: Tuesday, May 27, 2003
8:00 a.m. - 12:00 p.m.
