ALGONQUIN COLLEGE AND OCRI HOST RESEARCH DAY

Algonquin College's Office of Applied Research, in conjunction with the Ottawa Centre for Research and Innovation (OCRI), is hosting its second annual Research Day. The College will demonstrate ongoing applied research activities in the School of Advanced Technology, the School of Media and Design and the School of Health and Community Studies. Tours will be given of Algonquin's Hapto-Visual Research Centre, High-Definition Cinema Lab and Tele-Health Research Clinic, as well as the WiFi lab, the CNC lab and the College's three photonics labs.
