The Honourable Jim Watson  
Minister of Municipal Affairs & Housing  
MPP, Ottawa West – Nepean  
201 – 2249 Carling Ave.  
Ottawa, ON K2B 7E9

Dear Mr. Watson:

I read with interest the working document “A Vision of Innovation & Growth” prepared by Algonquin College. I am particularly pleased by the emphasis placed on current and future health needs with regards to our work force. Given the shortfall we experience in most areas, I can only welcome the Algonquin College initiative.

Sincerely,

Michel Bilodeau  
President and Chief Executive Officer
