International students registering in any ESL/FLS part-time, non-funded course will be charged, in addition to other applicable fees, a premium of \$10.00 per hour or a premium of \$200.00 per week excluding health insurance. Exceptions require approval from the Chair, Language Institute or the Director, International Education Centre.

FULL-TIME STUDENTS TAKING ADDITIONAL COURSES

International students, registered in full-time post-secondary and full-time ESL programs, who choose to take additional courses, will be charged international fees for any additional courses.

With approval of the Chair, Language Institute or the Director, International Education Centre, the international premium can be waived for one ESL course only.

DISTANCE EDUCATION AND INTERNET COURSES

International fees will apply to funded print-based, video or internet courses for international students residing in Canada. Off-shore international students will pay Canadian fees with a tuition premium of \$100 per course. This is distinct from the additional amount charged for postage.

STUDENTS REGISTERED IN COLLEGE-APPROVED PROGRAMS

International students will be charged a 15% premium over Canadian tuition fees for College-approved programs, except 6782X Commercial Pilot and Aviation Management which has a premium of 40%. The fees include health insurance and a locker.

REFUND POLICIES FOR INTERNATIONAL STUDENTS

Students who submit formal written notification of withdrawal from a full-time program of instruction within 10 business days of the beginning of a term (or the beginning of the period for which the student paid fees in the case of a non-semestered or continuous intake program of instruction) are entitled to a refund of tuition and ancillary fees as follows:

A portion of the full tuition and ancillary fees paid for the term or program period, calculated according to the following equation:

Refund = fees paid - (international student tuition fee/tuition fee for Canadian citizens) X \$100;
and a refund in full of any tuition and ancillary fees paid in advance for subsequent terms.

There is no refund for International Students in full-time College Approved ESL programs who withdraw after the start of the program. Continuing education course registrants are refunded according to the current Continuing Education Refund Policy.
