APPLICATION FOR EXTERNAL TRANSFER CREDIT PROCEDURE (Credit based on academic studies completed at other post-secondary institutions)

Please Note: Prior to processing, each applicant must be supported by an official transcript, course outlines and a payment of \$10.00 per external course credit requested (non-refundable)

1. Students requesting a transfer of academic credit (exemption) apply through the Registrar's Office.
2. Applications with payment and supporting documentation should be submitted to the Registrar's Office. Each application will be forwarded by the Registrar's Office to the appropriate Academic Chair for assessment.
3. Students who wish to add course(s) to replace the transfer credit granted, must request the transfer credit three weeks prior to the start of term.
4. Students must request exemptions for the current term within five days from the start of the term (some exceptions may apply).
5. Approved applications must be returned to the Registrar's Office by the appropriate Chair/Dean on or before the last day of the fourth week of the term.

IMPORTANT INFORMATION AND PROCEDURES:

1. This application must be completed in full. For each course exemption that you are requesting, enter the number and name of that course. Next, enter the number and name of the course successfully completed at the external academic institution (i.e. Colleges, Universities, CEGEP, etc.) that is equivalent and that is the basis of your exemption request.
2. Normally, transfer credit (exemption) will only be granted for courses completed during the last five (5) years. A minimum grade of "C" is required.
3. For mail-in requests, allow up to six (6) weeks for processing.
4. Exemption requests that are granted will be posted accordingly on ACSIS. Students may check their results by logging onto ACSIS at acsis.algonquincollege.com. Please select the correct term to view grades. Clients will be notified in writing regarding exemption requests that are denied.
5. Students must request exemptions for the current term within the Timetable Change Period. Students are advised to remain in the course(s) until they are advised of the status of their request.
6. Students who request transfer credit outside of the Timetable Change Period will have their request processed for the next term. Students should attend classes until a decision has been made regarding the exemption. Once an exemption is approved, the student will be withdrawn from the course in question by the Registrar's Office, unless the withdrawal results in a change of classification from full-time to part-time.

Please note: Credit based on knowledge and skills gained through life or work experience will be evaluated through the Prior Learning Assessment Office. For information about PLA, please call 613-727-4723, ext. 7027.
