A complete list of rates is available through the following link:

Permit rates at the Satellite Campuses are available on site from each Administrative Office. It is important to note that the **new permits are not valid before August 24, 2009**. You should continue to use your current permits until that date. Please note the important information printed on the back of each permit, which briefly outlines the valid dates and terms of use, please visit the website for a more complete list.

Permits will go on sale **online** to all Staff and returning Students beginning May 25, 2009 through July 10, 2009. Permits will be available for pickup in the Parking Office (C044a) beginning Monday June 1, 2009. Algonquin College staff payroll deduction will be available online through our new parking management software package at: <https://parkingservices.algonquincollege.com/>

After July 10, 2009 parking permits will be sold on a first-come, first-served basis to all clients until they are sold out, at which time a waitlist will be maintained and updated daily. Please ensure that if you are placed on a waitlist, that you monitor your position on that list. When you receive a call to purchase your permit you will have 7 calendar days from that date to arrange for purchase, at which time your name will be removed from the list. If you have not purchased a permit, you will need to re-apply.

It is best that you plan to purchase early to avoid being put on a wait list, or not getting a space in the lot that you are requesting. Permits for the Satellite campuses are available from the Administrative Offices at each location during the same time frames as noted above.

There will be **minor changes to the lot configurations at the Woodroffe Campus** that affect the use of spaces and parking. You will see changes to the lot configurations materialize over the course of the summer and we are asking for your patience and cooperation while the changes are underway. If you require additional information on parking rates or parking in general, please contact the Parking Office during normal College business hours at extension 7187, or email parking@algonquincollege.com
