**Career Week is once again upon us.** We are reconnecting with our Alumni to invite you to meet with fellow graduates at an informal social. As well as networking with other grads, we hope you will be willing to chat with current students to share your perspective on careers and take part in our “This is My Job” career networking segment.

Feel free to forward this email to classmates or other Algonquin Alumni who might be interested in this Career Week event in Pembroke. Looking forward to seeing you at *the Alumni Social and Career Networking!*
