

Sun Life Member Feedback

As you are aware the service provider for our Group Insurance Benefits is Sun Life Assurance Company of Canada. In the Fall, Sun Life will randomly send out a questionnaire to approximately 10% of Support Staff asking for feedback on its services and products. If a sufficient number of employees return the survey, Sun Life will tabulate the responses and provide a report to the Support Staff Joint Insurance Committee. The Joint Insurance Committee has endorsed the "Sun Life Member Feedback" form.

If you are one of the randomly selected employees, please take a few minutes to answer this short questionnaire and return it as indicated. The Support Staff Joint Insurance Committee would like to thank you for taking the time to provide your feedback.

Please be assured that all responses are anonymous.
