December 2008 – Pembroke, ON: A student in the third year of the Bachelor of Science in Nursing Program at Algonquin College in the Ottawa Valley was recently presented with the Alexandra Club Bursary Award.

In the photo above, Hope Weisenberg of Pembroke, left, is presented with a cheque for \$500 by Alexandra Club president, Mrs. Ivy Levoy. Hope is the first recipient of this award which will be presented to a student in the third year of the Bachelor of Science in Nursing Program at Algonquin College in the Ottawa Valley.

The Alexandra Club was an auxiliary organization associated with the Pembroke Civic Hospital for many years and has continued its work since the hospital closed.

Algonquin College is grateful for the generosity of the many local residents, businesses, service organizations, and health care providers who assist our students with their expenses through scholarships and bursaries presented throughout the year and at Convocation.
