2008 Bursary Recipients – Bachelor of Science in Nursing

December 2008 – Pembroke, ON: Two students in the third year of the Bachelor of Science in Nursing Program at Algonquin College in the Ottawa Valley were recently presented with the Dr. Konstantin Siegmund Memorial Bursary award.

The Pembroke Campus students each received a cheque for \$4,000 which will help them immensely in the final years of their four-year program. The two recipients were Alicia Arsenault and Veronica Butler.

In the photo above, one of the recipients is congratulated by the two nursing program co-ordinators. From the left are Professor Judy Lafleur, co-ordinator of year 1 and 4 BScN; Veronica Butler, bursary recipient; and Professor Kelly Kidd, co-ordinator of year 2 and 3 BScN. This is the third year the Dr. Konstantin Siegmund Memorial bursaries have been awarded.

Algonquin College is grateful for the generosity of the many local residents, businesses, service organizations, and health care providers who assist our students with their expenses through scholarships and bursaries presented throughout the year and at Convocation.
