

ALGONQUIN
COLLEGE

The ASPIRE AC Program is here to assist you! We provide the following free services to support prospective and existing college students.

ASPIRE AC Career Clarity Services: helping prospective Algonquin College students explore the labour market, decide on a college program, and develop an individualized action plan. If you or your clients are interested in attending Algonquin College within the next year, and need help choosing a program, please register with the ASPIRE AC Program here: <https://www.algonquincollege.com/aspireac/registration/>.

More about Career Clarity Services here: <https://www.algonquincollege.com/counselling/career-clarity/>.

ASPIRE AC Transition Services: helping prospective Algonquin College students plan and prepare for college. Whether it's navigating college and financial aid applications, providing information and supports related to transportation, budgeting, or helping people access community and college services, we are here to help. For more information about ASPIRE AC Transition Services go to: <https://www.algonquincollege.com/aspireac/prospective-students/post-secondary-success-coaching/>.

ASPIRE AC Student Mentor Services: supporting and guiding ASPIRE AC students with their college studies. Whether it's providing assistance with course materials, accessing technology or navigating college services, our mentors are here to help students succeed. More information about ASPIRE AC Mentors and how to register for this service here: <https://www.algonquincollege.com/aspireac/current-students/graduate-mentors/>.

ASPIRE AC Job Coach Services: supporting current ASPIRE AC students with their employment goals - helping with career exploration, resume development, interview preparation and job retention. If you are interested in receiving job coaching services, apply with the ASPIRE AC program here: <https://www.algonquincollege.com/aspireac/current-students/jobcoaching/>.
