

SUGGESTED TRANSITION ACTIVITIES

Potential Transition Activities	Completed
Read the “Resource Guide for Students with Disabilities” (Transition Resource Guide) and follow the tips provided	
Research potential programs. <i>What is appealing about this program?</i> <i>Are there any aspects of the program that will be challenging?</i>	
Visit potential campuses	
Meet with professors or people in the field	
Book an appointment with the Disability Services Office to discuss documentation and possibly accommodations	
Ensure you have adequate documentation	
Create assets lists for all possible choices (include beneficial aspects of program, services, living options, financial, city proximity, etc.)	
Consider <i>Final Checklist</i> on Transition Resource Guide	
Once PSE selection is made: <ul style="list-style-type: none"> • Familiarize self with services and campus • Register with Disability Service Office • Make living arrangements • Make transit plans <ul style="list-style-type: none"> ○ See Summer Transition Passport 	
Break down goals for skill development and work on these as you approach fall entry
