

# Laundry 101

Your AC Card is how you pay for laundry! (Not with your meal plan account, but with the *AC Cash* account)

Load \$ to your AC Cash account at the kiosk in the lobby or at [algonquincollege.com/ACcard](http://algonquincollege.com/ACcard)

Start your laundry machine in 5 easy steps:

- 1) Put your clothes into your chosen washing machine
- 2) Add laundry detergent to the machine in the detergent drawer (It pulls out)
- 3) Tap your card on the “Laundry Master” (hint: right next to this poster)
- 4) Enter the washing machine number your clothes are in & touch ‘Enter’
- 5) Go back to the washing machine & push ‘Start’

Follow the same steps to start the dryers!

## LaundryView™

Are you tired of lugging your laundry basket full of dirty clothes all the way to the laundry room only to discover that all of the machines are in use?

LaundryView lets you check the availability of washers and dryers and see how much time is left on your cycles without leaving your Rez room! You can also receive notifications via email when a machine is available (you have to sign up for this feature!)

Cool eh?!

Check it out at [laundryview.com/algonquin](http://laundryview.com/algonquin)

You can also find tons of useful laundry tips on their website under “Laundry Help”

Just realized you don't have laundry detergent?

The 35th Street Market Cafe, located in the Residence Lobby, sells single use laundry detergent and single use dryer sheets for \$1

AC Cash is accepted there.
