

Sharmarke Dalal

Come Vote for me March 2nd and March 3rd (until Noon)

Who am I? Why you should vote for me?

My name is Sharmarke Dalal and I am running as a candidate in the 2020 Board of Governor elections. I want to be your Student Representative in this election, because I have similar experiences and qualifications that fit this honorable role. I am eager to bring your voices to the table and provide solutions to your concerns.

I am in the Law Clerk program and have been the student representative for 2018-2019. I chose this program because it stands for values, standards, and progress. Just like Algonquin College the core pillars are caring, learning, integrity, and respect.

I am an avid volunteer on campus, for example, ACday1, AcStart and Ottawa Mission. Off-campus volunteer places consist of Ottawa Community Housing, CHEO, and for community events for youth.

I was a nominated student for the leadership program and successfully completed it. I am also an online entrepreneur. I have also helped in the past with an online criminal law legal clinic.

If elected, I want to bring more employment opportunities for students, more accessibility to labs, more school events catering to the interest of the students, and more inclusive clubs. I am also open to any suggestions because collaboration is a requirement to fulfilling my promise to you.

To vote, go on your ACSIS account, click the link where it states Board of Governors Election 2020, click List of Candidates and click my name, Sharmarke Dalal.

If you have any questions, please feel free to email me at dala0007@algonquinlive.com

Thank you all for voting and I look forward to becoming your Governor.

Sharmarke Dalal
