Removal of the EES Mapping in Pre-Defined Evaluation Section

***Please note as of the **2026-2027 Academic Year**, **ONLY** Course Learning Outcomes (CLOs) will be **mapped**. Essential Employability Skills (EES) will be **removed**. ***

Since the implementation of CLO mapping in recent years, the validation of the EESs is now achieved through the alignment of the CLOs with the EES. Consequently, it is no longer necessary to map them into individual assessments.

The Essential Employability Skills Section in the Pre-defined Evaluation Section will be removed.
