Message from the Board of Governors

Congratulations on your graduation! On behalf of the Algonquin College Board of Governors, I am pleased to share in the pride that you, our learners experience today along with your families and supporters. We are pleased to join you in celebrating your hard work and dedication. As you transition to the next phase of your lifelong learning journey, I hope the experiences you have had at Algonquin College will support you and enable you to continue to “transform your hopes and dreams into lifelong success”.

Our world is undergoing the most rapid rate of change it has ever experienced. Each of you will face many opportunities and challenges for advancement. Algonquin College is constantly engaged in preparing our learners for this world of change. Should you require further upgrading of your education, don't forget to consider returning to our campuses or take advantage of our extensive online learning resources.

As you become an alumnus of Algonquin College, I encourage you to stay in touch. The contacts that you have made with Faculty and Staff can remain an ongoing resource as you leave this institution of learning. Your friends and colleagues at Algonquin can be with you for many years to come. Share your experiences and success with them and us. Our Faculty, Staff, our Executive Team and the Board of Governors are pleased that you chose Algonquin for your education.

As graduates, you are among the best ambassadors for Algonquin College. Your enthusiasm and fond memories of the time you spent at Algonquin will encourage others to join our family of learners. We are grateful for your recommendations to others to choose Algonquin as a centre of high-quality, applied, and hands-on learning.

As you go forward in your careers, carry with you, in your relationships and in your workplace, the values that Algonquin has provided while you were here: “Caring, Learning, Integrity and Respect.”

Your experience at Algonquin College has been complicated by the COVID-19 Pandemic. The Board of Governors recognizes your perseverance and that of your colleagues and our Algonquin team. You have faced this challenge with courage and succeeded!

Best wishes to you in your future endeavours.

Sincerely,

Dr. Gail Beck
Chair of the Algonquin College Board of Governors

THE HISTORY

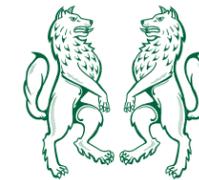

Our coat of arms is steeped in symbolism, reflecting Indigenous and Canadian cultures. The creation process for the emblems was done in consultation with the College's Indigenous Education Council and its Mamidosewin Centre, as well as the Kitigan Zibi Anishinabeg and Algonquins of Pikwàkanagàn First Nations.

— THUNDERBIRD —
REPRESENTS OUR QUEST TO CREATE AND SHARE KNOWLEDGE

— EVERGREEN TREE —
REPRESENTS THE RICHNESS OF NATURE, RESILIENCE, AND LONGEVITY

— TWIN WOLVES —
SUPPORTERS THAT SYMBOLIZES POWER AND LEADERSHIP

— WAMPUM BELT —
SYMBOLIZE STORIES PASSED DOWN BY GENERATIONS

— LIGHTNING BOLTS —
SYMBOLIZE THE SPARK OF INSPIRATION, INNOVATION AND TRANSFORMATION

— MOTTO —
OUR VALUES OF CARING, LEARNING, INTEGRITY AND RESPECT

ALGONQUIN COLLEGE'S PROUD HERITAGE

Algonquin College is situated on unceded, unsurrendered territory of Algonquin people. Traditionally known as "Anishinabe", Algonquin people are the original inhabitants of the wide swath of territory along the Ottawa River on which Algonquin College's campuses in Ottawa, Pembroke, and Perth now sit. To honour and recognize the Algonquin People, the college adopted the name Algonquin when it was founded in 1967.

In Algonquin culture, it is appropriate for guests to acknowledge the hospitality of their hosts when entering their territory. With this tradition in mind, Algonquin College respectfully thanks the Algonquin people for hosting us on their ancestral lands; both today during this ceremony and each day on our campuses in Ottawa, Perth, and Pembroke. Meegwetch (thank you).

Algonquin College is proud of its strong partnership with the First Nation, Métis, or Inuit communities and organizations with whom we share the common goal of supporting Indigenous learners as they strive for academic and career success. This partnership is realized in many ways, one of which is through Algonquin College's Indigenous Education Council (IEC). This council brings members of First Nation communities and organizations together with Algonquin College leaders and students to identify the unique needs of our Indigenous learners and to work together to meet those needs.

As a result of these partnerships, Algonquin College maintains a strong commitment to the over 1,000 learners of First Nation, Métis, and Inuit heritage who attend our institute each year. Algonquin College offers high-quality programs and services reflective of Indigenous culture and values; such as the Mamidosewin Indigenous Student Centre, the Pathways to Indigenous Empowerment Program, the Indigenous Studies Program and the Indigenous Pre-Apprentice Cook Program. Algonquin College is honoured that so many First Nation, Métis, and Inuit learners choose to join the College community.

Honorary Degree Recipient **Mark Barnes**

Owner, Respect Rx

When it comes to serious issues like mental health and substance abuse, Mark Barnes believes a little respect can go a long way.

The owner of the Ottawa-based Respect RX pharmacy, Barnes has made a career out of challenging the biases surrounding drug misuse and mental health issues. With compassion, understanding and care, he has spent years working in overdose prevention and harm reduction amid Canada's ongoing opioid crisis.

Barnes and his partners opened the first Respect RX pharmacy in 2013, located in Vanier. The success of its respect-based and patient-focused care has both improved the lives of many vulnerable members of the community and led to the opening of three additional locations in Ottawa and one in Cornwall. Barnes has since become a leading voice in harm-reduction care: he sits on the City of Ottawa's Overdose Prevention and Response Task Force, champions the opioid-reversing drug Naloxone and has given numerous talks and presentations on substance abuse and its underlying causes.

In 2016, Barnes began outreach efforts with Algonquin College learners. Acknowledging the shortcomings of a drug abstinence approach, Barnes has visited residences, classrooms and events to discuss safe drug usage and the raw dangers of unsafe consumption. His AC outreach would later expand into the Algonquin College Respect RX Pharmacy Perseverance Bursary, which recognizes and celebrates the strength of learners who maintain satisfactory standing in their studies while also contending with trauma, addiction or mental health distress.

Barnes hopes that graduates entering the healthcare field will embrace empathy and compassion in their work, noting that these attitudes are necessary following the impacts of the COVID-19 pandemic. He believes that capable, optimistic and educated graduates have all the necessary tools to change the healthcare field for the better and to improve the lives of those in their care.

and Shepherds of Hope Foundation

Deirdre Freiheit is a community builder, advocate and philanthropic professional with almost 30 years of experience in the not-for-profit sector.

While mom is her favourite role, Freiheit leads one of Ottawa's largest organizations for individuals who are experiencing homelessness or are precariously housed. She currently assumes the roles of president and chief executive officer of Shepherds of Good Hope and the Shepherds of Good Hope Foundation, where she strives to ensure appropriate services and housing options are available to adults with complex needs who are experiencing homelessness in our community.

Shepherds of Good Hope has developed innovative solutions that reduce harm in Ottawa by supporting vulnerable individuals through specialized services, programs and partnerships. In addition to operating the largest adult shelter and the only one in Ottawa for individuals of all genders, Shepherds of Good Hope offers a range of services to those in need and is one of the largest supportive housing providers in our city.

Freiheit has held her dual roles for over nine years. Throughout her time at the organization, she has worked with her team to significantly expand supportive housing, with an organizational goal to end chronic homelessness in Ottawa. She also assumes responsibility for the fundraising branch of the organization, the Shepherds of Good Hope Foundation, where she ensures gaps in funding are alleviated through strong donor relationships, business and community partnerships, and in-kind donations.

As a long-standing member of the Ottawa not-for-profit community, Freiheit was an Alliance to End Homelessness Ottawa Board member for eight years and served as its chair for four. Freiheit was also a member of the Board of Directors of Ottawa Inner City Health Inc. and previously volunteered at Roger Neilson House.

Freiheit's incredible leadership is one of the main reasons Shepherds of Good Hope can support the range and volume of individuals who use its many services. She hopes much of this success can be attributed to her 'servant leader' and 'player's coach' leadership styles, which create a healthy, supportive, and collaborative environment for employees, volunteers, partner agencies, donors and funders and most especially those requiring services in both the shelter and supportive housing.

Freiheit believes good leaders are lifelong learners and that learning comes in many forms — she encourages graduates to seek out mentors, to find people they admire and respect, and discover new ways to learn from them.

Her four pieces of advice for Algonquin College's Class of 2023 are to not be afraid to admit you don't know everything; be open to learning; be willing to try new things because you never know where it will lead you; and volunteer your time where and when you can — you will get back so much more than you give.

Honorary Degree Recipient **Elizabeth Manley**

Former Competitive Figure Skater; Olympic Silver Medalist
& Certified Life/Executive Coach, Mental Health Advocate

As a World Cup champion and Olympic silver medalist, Elizabeth Manley is no stranger to putting in the hard work and dedication required to get the job done but it's her resiliency, compassion and empathy that has set her apart in her later career.

Being a four-time World Cup champion and two-time U.S. Open champion figure skater, Manley spent much of her life testing her limits, pushing past her breaking points and navigating the often complicated and challenging world of sport. Today, she uses her experience to compassionately support others in their life pursuits.

After spending many years in the United States as a performer and coach, Manley followed her roots back to Ottawa and now lives in Collingwood, Ontario where she is a Certified Life/Executive Performance Coach who works with individuals, athletes and organizations to help them reach their full potential.

Manley is a member of the Order of Canada, Canada's Olympic Hall of Fame, Canada's Sports Hall of Fame, Skate Canada's Hall of Fame and Ottawa's Sports Hall of Fame. She is an active member of the Ottawa community and has represented the city, the province and the nation in numerous roles including as an ambassador, spokesperson and volunteer.

Manley's life has not been without its personal hurdles, however, having severe bouts of anxiety and depression throughout her skating career brought about many difficulties, difficulties that have pushed her toward her career today. As a vocal mental health advocate, Manley uses her platform to raise awareness for mental health and wellness, and uplift others who may be struggling with their mental health.

Manley served as the national spokesperson for the Canadian Mental Health Association (CMHA) from 1988 to the mid 90's and today is a speaker for CMHA throughout Canada. She travels frequently for speaking engagements across the country, where she talks to students about mental health and wellness, shares information on mental health resources and stresses the importance of caring for one's mental health first and foremost. Most recently, Manley was awarded the Courage to Speak award from Carleton University's Mental Health and Well-Being Research and Training Hub.

She has authored two autobiographies, produced several television segments and provided on-air and written commentary for multiple Olympic Games. Manley's lengthy and accomplished career has left her with one key piece of advice for Algonquin College's Class of 2023: "go after your dreams."

Honorary Degree Recipient **James Taggart**

Owner, Taggart Construction

Jim Taggart is a builder. In his 81 years, he's been part of a successful business, a large family, and many lasting relationships and connections throughout the Ottawa region. The father of three and grandfather of six is retired but still holds the title of Chairman of the Taggart Group of companies. He also chairs occasional meetings and goes into the office to keep himself apprised of the many endeavors his family operates including Taggart Construction Limited, Doran Contractors Limited, Taggart Realty Management, Tartan Homes, Tamarack Homes and the Taggart Parkes Foundation.

Taggart Group has always been a true family business. Taggart's father Harold started the company in 1948 and in 1975 passed the torch to Taggart, the oldest of seven children, together with his brother-in-law Dave Parkes and his brother Ian Taggart. Taggart graduated from Carleton University in 1964 with a Bachelor of Civil Engineering. Today, Taggart's children and his siblings' children are running the company, with Taggart continuing in the role of chair.

Besides overseeing the management and expansion of the Taggart Group's suite of companies, Taggart has also been involved in numerous industry associations including the National Capital Heavy Construction Association and The Ontario Sewer and Watermain Contractors Association. He was also Chairman of the board at the Royal Ottawa Hospital and a board member of Carleton University.

The modest mogul is reluctant to give advice to graduates, but his quiet manner and confidence is impressive — when he speaks, he has wise words to share.

Taggart encourages graduates to try to understand what will motivate them in life and to follow their passion. He believes it's important to get a good education to become a good leader. He encourages those entering the workforce to look for examples they admire in a field they wish to enter and following their example.

When asked what makes a good leader, Taggart cited three things including having vision, moral values and respecting the opinions of people you are working with. He believes being inclusive, listening to input from teammates and leading by example are the keys to success.

Taggart said work is a pleasure if you can find the field that motivates you. He also appeared to be humble n asked about his accomplishments and leadership. He believes people should look at accomplishments of the individual and not the things people say.

When asked about his accomplishments, he said he is most proud of raising a family that has been successful in both business and life.

Something to be proud of, indeed.

Graduate Information and Services

Our commitment to your success

GRADUATE FOLLOW-UP SURVEY

As an Algonquin graduate, your success is important to us. Our continued commitment to you in terms of excellence, quality, and accountability includes our participation in the province-wide Ministry of Training, Colleges and Universities Key Performance Indicators (KPI) survey.

This survey will be conducted six months following graduation. A consulting firm, Forum Research, will telephone you (they will identify themselves as Algonquin Forum) to administer the graduate version of the KPI survey. The survey collects data related to your college experience, employment status and salary level.

When contacted, Forum Research will ask you what Algonquin College is doing right, and how we can improve, so the Ministry will continue to give your college the support it needs to offer leading-edge education and training.

Forum Research will ask you to provide your current employer's contact information so they, too, can be surveyed about the education and training Algonquin graduates receive. We hope that you will advise your employer that they will be contacted by Forum Research.

To facilitate this process, please ensure that we have your current telephone number. You can update your contact information through ACSIS: acsis.algonquincollege.com
