CONGRATULATIONS!

Class of 2026

Message from the Board of Governors

Congratulations on your graduation.

On behalf of the Algonquin College Board of Governors, I am pleased to share in the pride that you, our learners, experience today and join you in celebrating your hard work and dedication. As you transition to the next phase of your lifelong learning journey, I hope the experiences you have had at Algonquin College will sustain you and enable you to continue to transform your aspirations into lifelong success.

As you become an alumnus of Algonquin College, I encourage you to stay in touch. The contacts you have made with faculty and staff can remain an ongoing resource. Your friends and colleagues at Algonquin can be with you for many years to come. Share your experiences and success with them. For graduates, Algonquin College represents a transformative milestone that bridges education and career, offering practical, hands-on training for the real world. It signifies joining a network of 230,000+ alumni, fostering personal growth, overcoming challenges, volunteerism and gaining confidence to enter professional fields while embracing values of care, respect and innovation.

As graduates, you are the best ambassadors for Algonquin College. Your enthusiasm and fond memories of your time at Algonquin will encourage others to join our family of learners. We are grateful for your recommendations to others to choose Algonquin as a centre of high-quality applied and experiential learning.

As you go forward in your careers, carry with you the values that Algonquin has promoted while you were here: caring, learning, integrity and respect.

Best wishes to you in your future endeavours.

Sincerely,

Rodney Wilson

The History

— THUNDERBIRD —
Represents our quest to create and share knowledge

— evergreen tree —
Represents the richness of nature, resilience, and longevity

— Twin wolves —
Supporters that symbolizes power and leadership

— wampum belt —
Symbolize stories passed down by generations

— lightning bolts —
Symbolize the spark of inspiration, innovation and transformation

— motto —
Our values of caring, learning, integrity and respect

Our coat of arms is steeped in symbolism, reflecting Indigenous and Canadian cultures. The creation process for the emblems was done in consultation with the College's Indigenous Education Council and its Mamidosewin Centre, as well as the Kitigan Zibi Anishinabeg and Algonquins of Pikwàkanagàn First Nations.

Algonquin College's Proud Heritage

Algonquin College is situated on the traditional, unceded, unsundered territory of the Algonquin Nation. The Anishinàbe Algonquin people are the original inhabitants of the Ottawa River watershed and its tributaries on which Algonquin College's campuses in Ottawa, Pembroke and Perth now sit. To honour and recognize the Algonquin People, the college adopted the name Algonquin when it was founded in 1967.

In Algonquin culture, it is appropriate for guests to acknowledge the hospitality of their hosts when entering their territory. With this tradition in mind, Algonquin College respectfully thanks the Anishinàbe Algonquin People for hosting us on their ancestral lands; both today during this ceremony and each day on our campuses in Ottawa, Perth, and Pembroke. Migwech (thank you).

Algonquin College is proud of its strong partnership with the First Nation, Métis, or Inuit communities and organizations with whom we share the common goal of supporting Indigenous learners as they strive for academic and career success. This partnership is realized in many ways, one of which is through Algonquin College's Indigenous Education Council (IEC). This council brings members of First Nations, Métis and Inuit communities and organizations together with Algonquin College leaders and students to identify the unique needs of our Indigenous learners and to work together to meet those needs.

Algonquin College maintains a strong commitment to the over 1,100 learners of First Nation, Métis, and Inuit heritage who attend our institute each year. Algonquin College offers high-quality programs and services reflective of Indigenous cultures and values; such as the Mamidosewin Indigenous Student Centre, the Pathways to Indigenous Empowerment Program and the Indigenous Studies Program. Algonquin College is honoured that so many First Nation, Métis, and Inuit learners choose to join the College community.

Honorary Degree Recipient **Leah Levesque**

Retired, CEO of Arnprior Regional Health

Leah Levesque is a respected healthcare leader recognized for driving system change while remaining grounded in frontline care. After graduating from Fleming College in Peterborough, she began her nursing career in intensive and critical care at Queensway Carleton Hospital, shaping her lasting focus on patient safety, quality, and the realities of care delivery.

Committed to continuous learning, Ms. Levesque completed a Bachelor of Science in Nursing over ten years while working full time and raising a family. She later transitioned from bedside care into leadership roles, expanding her impact from individual patients to organizations and communities across both rural and urban healthcare settings.

To further strengthen her system level expertise, she earned a Master of Health Administration from the University of Toronto and became Chief Nursing Executive at Arnprior Regional Health. In this role, she advanced employee engagement, collaboration with primary care partners, and quality and safety initiatives. She subsequently returned to Queensway Carleton Hospital in senior executive roles, including serving as Interim President and Chief Executive Officer during a period of unexpected transition.

In 2021, Ms. Levesque returned to Arnprior Regional Health as President and Chief Executive Officer, leading efforts in health system integration, post pandemic recovery, and strategic planning to meet the needs of a growing community. Throughout her career, she has remained deeply focused on people and is driven by a passion to improve healthcare systems through innovation, compassion, and purpose.

OUR COMMITMENT TO YOUR SUCCESS

Graduate Information & Services

Graduate Follow-Up Survey

As an Algonquin graduate, your success is important to us. Our continued commitment to you in terms of excellence, quality, and accountability includes our participation in the province-wide Ministry of Training, Colleges and Universities Key Performance indicators (KPI) survey.

This survey will be conducted six months following graduation. A consulting firm, Forum Research will telephone you (they will identify themselves as Algonquin Forum) to administer the graduate version of the KPI survey. The survey collects data related to your college experience, employment status and salary level.

When contacted, Forum Research will ask you what Algonquin College is doing right, and how we can improve, so the Ministry will continue to give your college the support it needs to offer leading-edge education and training.

Forum Research will ask you to provide your current employer's contact information so they, too, can be surveyed about the education and training Algonquin graduates receive. We hope that you will advise your employer that they will be contacted by Forum Research.

To facilitate this process, please ensure that we have your current telephone number.

You can update your contact information through ACSIS: acsis.algonquincollege.com
