ALGONQUIN
COLLEGE
Changing Lives

Congratulations!
Class of 2022

Message from the Board of Governors

Graduation is a time to be proud of all that our learners have achieved. On behalf of the Algonquin College Board of Governors, I am pleased to share in the pride that you, our learners, your families and supporters experience today. Your hard work and dedication towards your success is celebrated today.

As you transition to the next phase of your lifelong learning journey, I hope that the experiences that you have had at Algonquin College will support you and enable you to continue to “transform your hopes and dreams into lifelong success”. Our world is undergoing the most rapid rate of change that it has ever experienced. Each of you will face many opportunities and challenges for advancement. Algonquin College is constantly engaged in preparing our learners for this world of change. Should you require further upgrading of your education, don't forget to consider returning to our campuses or to take advantage of our extensive online learning resources.

As you become an alumnus of Algonquin College, I encourage you to stay in touch. The contacts that you have made with Faculty and Staff can remain as an ongoing resource as you leave this institution of learning. Your friends and colleagues at Algonquin can remain as such for many years to come. Share your experiences and success with them.

Our Faculty, Staff, our Executive Team and the Board of Governors are pleased that you chose Algonquin in your search for education. As graduates you have an opportunity to become ambassadors of Algonquin College.

Share your enthusiasm with others who may be interested in joining our family of learners. Your ability to pass on recommendations for choosing Algonquin as a centre of high-quality, applied, and hands-on learning, is appreciated.

As you go forward in your careers, carry with you, in your relationships and in your workplace, the set of values that Algonquin has provided while you were here: “Caring, Learning, Integrity and Respect.”

Your experience at Algonquin College has been complicated by the COVID-19 Pandemic. Thanks to your perseverance and that of your colleagues and our Algonquin team, you have faced this challenge with courage and success.

Congratulations and best wishes for success, to each of you in your future endeavours.

Sincerely,

Jay McLaren
Chair of the Algonquin College, Board of Governors

The History

Our coat of arms is steeped in symbolism, reflecting Indigenous and Canadian cultures. The creation process for the emblems was done in consultation with the College's Aboriginal Education Council and its Mamidosewin Centre, as well as the Kitigan Zibi Anishinabeg and Algonquins of Pikwàkanagàn First Nations."

The Elements

“While many of its symbols reflect Indigenous culture, their messages in many cases are truly universal.”
– Ron (Deganadus) McLester, VP, Truth, Reconciliation & Indigenization

Algonquin's Proud Heritage

Algonquin College is situated on unceded, unsundered territory of Algonquin people. Traditionally known as “Anishinabe”, Algonquin people are the original inhabitants of the wide swath of territory along the Ottawa River on which Algonquin College’s campuses in Ottawa, Pembroke, and Perth now sit. To honour and recognize the Algonquin People, the college adopted the name Algonquin when it was founded in 1967.

In Algonquin culture, it is appropriate for guests to acknowledge the hospitality of their hosts when entering their territory. With this tradition in mind, Algonquin College respectfully thanks the Algonquin people for hosting us on their ancestral lands; both today during this ceremony and each day on our campuses in Ottawa, Perth, and Pembroke. Meegwetch (thank you).

Algonquin College is proud of its strong partnership with the First Nation, Métis, or Inuit communities and organizations with whom we share the common goal of supporting Indigenous learners as they strive for academic and career success. This partnership is realized in many ways, one of which is through Algonquin College’s Indigenous Education Council (IEC). This council brings members of First Nation communities and organizations together with Algonquin College leaders and students to identify the unique needs of our Indigenous learners and to work together to meet those needs. The members of Algonquin College’s Indigenous Education Council for 2022-2023 are as follows:

Della Meness, Manager of Education Services, Algonquins of Pikwàkanagàn First Nation

Anita Tenasco, Director, Kitigan Zibi Education Sector, Kitigan Zibi Anishinabeg First Nation

Elaine Jeffery, Employment and Training Coordinator, Métis Nation of Ontario

Veronica Jacobs, Post-Secondary Manager, Ahkwesàhsne Mohawk Board of Education

Robert Jerome, Education Counsellor, Urban Aboriginal Alternate High School Program, Odawa

Jennifer Lafreniere, Director, Employment and Education, Tungasuvvingat Inuit

Ron Deganadus McLester, Algonquin College

Jeffrey Agate, Algonquin College

Sherryl Fraser, Algonquin College

As a result of these partnerships, Algonquin College maintains a strong commitment to the over 1,100 learners of First Nation, Métis, and Inuit heritage who attend our institute each year. Algonquin College offers high-quality programs and services reflective of Indigenous culture and values; such as the Mamidosewin Indigenous Student Centre, the Pathways to Indigenous Empowerment Program, the Indigenous Studies Program and the Indigenous Pre-Apprentice Cook Program. Algonquin College is honoured that so many First Nation, Métis, and Inuit learners choose to join the College community.

Pipe and Drum Band	Gregory Kingsbury, Jean-Sébastien Gamache and Jeremy Pyone

Honorary Degree Recipient

Ian Sherman

Ian Sherman has worked in the accounting and tax field for close to 40 years. Recently retired from full-time public accounting practice, he was a tax partner in the EY Ottawa office. Sherman managed the Ottawa office tax practice of over 90 professionals and was a tax account leader coordinating and facilitating services to many of EY's local and multinational clients in several industry sectors. He remains with EY Ottawa on a part-time contract basis.

Since July 1, 2021, through his company Relationship Capital Inc., Sherman is now assuming corporate roles as a director, family business adviser, board member and other advisory roles. He leverages his business and professional relationship network and his experience and skills from almost four decades of professional practice. He was also an instructor for the CPA Canada In-Depth Income Tax Course for over 10 years and then contributed to CPA Canada's Tax Education Committee for several years including as Chair.

Sherman graduated with a Bachelor of Social Sciences from the University of Ottawa in 1980 and then completed various Commerce courses on a part-time basis through the University of Toronto working towards his Chartered Accountancy designation. In 2006, Sherman was admitted as a Fellow of the Institute of Chartered Accountants of Ontario.

He has received many community awards including the Gilbert Greenberg Distinguished Service Award for Community Service from the Jewish Federation of Ottawa in 2011, the Freiman Family Young Leadership Award & United Jewish Communities of North America Young Leadership Award in 1999 and in 2021, he was the recipient of the Association of Fundraising Professionals, Ottawa Philanthropy Award which recognizes annually an Outstanding Volunteer Fundraiser who demonstrates a commitment to the advancement of philanthropy and the coordination and motivation of others for fundraising projects. In addition, last year, the Ottawa Regional Cancer Foundation awarded him the Rabbi Dr. Reuven P. Bulka Award for outstanding commitment to improving local cancer care. In November 2021, Sherman was awarded the Order of Ottawa in recognition of outstanding leadership, meritorious service and exceptional contributions to the City of Ottawa.

Married to wife Randi and parents to three grown sons, Jonathan, Matthew and Adam who are practicing law in Toronto and establishing their own professional careers, Sherman not only worked tirelessly in his chosen profession, but volunteered for many local organizations including the Ottawa Senators Foundation, Ottawa-Gatineau Youth Foundation, United Way, Ottawa Hospital Foundation, and the Ottawa Regional Cancer Foundation. He currently serves as the chair of the Ottawa Board of Trade as well as Chair of the Jewish Federation of Ottawa.

Sherman's advice to graduates is to never stop believing in yourself. He encourages grads to embrace their accomplishments and learn from their challenges.

Honorary Degree Recipient

Goldy Hyder

As President and CEO of the Business Council of Canada, Goldy Hyder believes maintaining an active presence in the local community is essential to good leadership. His extensive community work includes serving in leadership positions at the former Ottawa Senators Foundation, Carleton University and the United Way of Ottawa's Campaign Cabinet.

Hyder's connection to Algonquin College comes in part through two of his daughters, one currently enrolled in a special needs class, while the other is a graduate from the Sport Business Management and Event Management programs.

Born in India and relocating to Canada as a child, Hyder's family had \$28 in their pocket when they settled in Calgary. Watching his parents build a business in a new country taught Hyder resiliency and the value of taking risks. This sense of possibility carried through to when he accepted a position with former prime minister Joe Clark, moving to Ottawa with his spouse and three young children.

Heading into the post-pandemic recovery, Hyder encourages young professionals to return to the office so that they can better build interpersonal workplace skills. The value of mentorship, working creatively and building relationships in-person isn't easily replicated within the limitations of remote work.

As recent graduates look to launch their careers, they should be ready to face challenges and take calculated risks, says Hyder. Finding the balance between acknowledging and learning from failure, while not being afraid to fail again, is key to building leadership skills and adapting to adversity in today's workforce.

Hyder encourages graduates to embrace life's experiences, both the good and the bad. He believes many great things happen when life is lived to one's full potential, seeking to do good and to make a difference.

Honorary Degree Recipient

Catherine Clark

President of Catherine Clark Communications and Co-Founder of The Honest Talk, Clark is not only a successful entrepreneur but avid community leader. As Co-Founder and Co-Host of The Honest Talk, Clark engages in real and deeply honest conversations with women entrepreneurs, business leaders and up-and-coming female professionals.

In Clark's role as President of Catherine Clark Communications she pairs her years of media expertise with her skills as a podcaster, producer and commentator to help organizations from coast-to-coast tell the stories that matter most.

Born and raised in Ottawa, Ontario and coming from a family with deep roots in the capital's community, Clark prides herself on giving back to the city that shaped her. Her extensive community work includes past and present roles in various leadership positions at The Writers' Trust of Canada, The Ottawa Hospital, CARE Canada, The Ottawa Community Foundation, Shirley E. Greenberg Women's Health Centre, and the Elmwood School.

As new graduates transition from the classroom to the workforce, Clark reflects on the dynamic nature of her own career and what she wished she knew when she first tossed her cap at the University of Toronto. You really have to approach your career with a sense of the possible, not of fear, says Clark.

Our world has evolved rapidly over the past two years, forcing many of us to show resilience in the face of seemingly insurmountable hardships. And it's this quality of adaptability that Clark encourages graduates to hold on to as they begin the next leg of their journey.

Don't be scared of challenges, embrace them, and try to make them your own, says Clark.

Honorary Degree Recipient

Todd Nicholson

Faced with the prospect of not playing hockey after losing the use of his legs in a car accident on the way home from his high school prom, Todd Nicholson set himself on a path that would not only change his life, but the lives of countless others.

Summing up Nicholson's achievements since that pivotal moment in 1987 is no easy task. For over a quarter of a century, he represented Canada as a member of the National Sledge Hockey Team, and also in a number of other summer sports, including wheelchair basketball and tennis, triathlon, duathlon, marathons and para-skeleton.

During his years on the national sledge team, he competed in five Paralympic Winter Games and brought home bronze, silver and gold medals. He served as captain of the national team for over 15 years.

This spring, Algonquin College announced Nicholson as its Faculty of Health, Community Studies and Public Safety Honorary Degree recipient. The honour will be bestowed during the College's June convocation ceremony.

As a coach at both local and national levels, he has been an inspiration to young people and aspiring athletes - those who are able-bodied and those who live, work and play with disabilities of all kinds. He is regularly called upon by civic leaders, teachers, volunteer organizations, and business people to help motivate them to strive for excellence regardless of hurdles in their path to success. He also served as the Chef de Mission for the Canadian Paralympic Team in PyeongChang for the 2018 Paralympic Winter Games.

An employee of Canada Border Services Agency (CBSA), Nicholson received the Presidential Citation for Meritorious Service from the President of CBSA in 2015, and received the Meritorious Service Decorations (Civil Division) from the Governor General of Canada in 2016.

He has been inducted into the Canadian Disability Hall of Fame, received the Order of Ottawa, and in 2018 was appointed as the chairperson for Own the Podium, an organization that supports both Canada's Olympic and Paralympic Games' hopefuls.

From 2013 to 2017, Nicholson served as the chairperson for the International Paralympic Committee (IPC) Athletes' Council and was a governing board member for the International Paralympic Committee. He also served as the IPC Athlete Representative to the International Olympic Committee Athletes Commission. He has direct, hands-on experience planning and administering the Games (Olympic and Paralympic) in London (2012), Sochi (2014), Rio de Janeiro (2016), PyeongChang (2018), Tokyo (2020) and Beijing (2022).

He currently sits on a number of national boards within Canada and frequently shares his vast experience as a motivational speaker.

Honorary Degree Recipient

Alex Munter

As President and Chief Executive Officer at CHEO, contributing to a healthy and thriving Ottawa community is what motivates Alex Munter in his work today. Munter's commitment to community health and wellbeing includes more than 15 health system roles in organizations such as Children's Mental Health Ontario, the Ontario Hospital Association, Kids Health Alliance and the Health Insurance Reciprocal of Canada.

Beyond health and wellbeing, Munter has also served in a variety of community-focused leadership positions which include roles at the Ottawa Local Immigration Partnership, the United Way of Ottawa Community Services Cabinet, the Community Foundation of Ottawa and the Ottawa Art Gallery.

As a distinguished member of the capital's community, Munter has been awarded the Queen's Diamond Jubilee Medal, prix de la francophonie de l'Ontario, Business Leader of the Year Award for the Broader Public Sector, CEO of the Year and an Outstanding Alumni Award from the University of Ottawa's Faculty of Social Sciences.

Having grown up in Ottawa and establishing a successful career in the city's health services, Munter has had the opportunity of working with thousands of Algonquin College students during his years in the municipal and health sectors. Algonquin College is built into the fabric of our community. There are countless organizations and community services fuelled by the energy and hard work of people who were trained at Algonquin College, says Munter—including CHEO!

The health and community services space has evolved a lot in the last few years and Munter is well aware of the challenges and opportunities Algonquin College graduates face moving from the classroom to the workforce. With dramatic changes underway in the human services sector, there will be countless chances for graduates to contribute to the well-being of our community with their newly acquired skills and training. There is a tremendous need for talent, energy and good people who can commit to building a career in these services, says Munter.

Graduate Information and Services

Our commitment to your success

GRADUATE FOLLOW-UP SURVEY

As an Algonquin College graduate, your success is important to us. Our continued commitment to you in terms of excellence, quality, and accountability includes our participation in the province-wide Ministry of Training, Colleges and Universities Key Performance Indicators (KPI) survey.

This survey will be conducted six months following graduation. A consulting firm, Forum Research, will telephone you (they will identify themselves as Algonquin College Forum) to administer the graduate version of the KPI survey. The survey collects data related to your college experience, employment status and salary level.

When contacted, Forum Research will ask you what Algonquin College is doing right, and how we can improve, so the Ministry will continue to give your college the support it needs to offer leading-edge education and training.

Forum Research will ask you to provide your current employer's contact information so they, too, can be surveyed about the education and training Algonquin College graduates receive. We hope that you will advise your employer that they will be contacted by Forum Research.

To facilitate this process, please ensure that we have your current telephone number. You can update your contact information through ACSIS: acsis.algonquincollege.com
