COVID-19 INFORMATION

When out in public, practicing physical distancing can help you reduce your risk by minimizing contact with others in the community.

- Avoid overcrowding – take the stairs or wait for the next elevator.
- Cover your cough.
- Avoid touching your face after pushing the button.
- Maintain at least a 2 metre (6 feet) distance from others in the elevator or wait for the next elevator.
- Wash with soap, or sanitize your hands after leaving the elevator.
