**SUBJECT:** 2022 T4 Slips Available in Workday as of February 17, 2023

---

The Payroll Department has completed the preparation of employees' 2022 T4 slips and they are available for viewing in Workday as of February 17, 2023.

Detailed instructions on how to view and print your T4 in Workday are provided below.

Please note that some employees will receive more than one T4 slip from the College. This will occur for one of the two following reasons:

- 1) During 2022, you worked as both an hourly and a salaried employee. In this case, you will receive a T4 for your hourly employment earnings as well as a T4 for your salary employment earnings.
- 2) During 2022, two or more employee IDs were created for you and you received earnings under multiple employee IDs. In this case you will receive a T4 slip with the earnings from each employee ID.

Regardless of the reason why, if you receive more than one T4 slip from the College, you must report all T4 slips when preparing your 2022 tax return.

If you wish to access your T4 slip from off-campus, you will require Remote Access (VPN) to be able to connect to Workday. If you do not already have VPN access, please click the following link for self-serve setup instructions: [VPN Setup Instructions](#). If you have any problems setting up your VPN, please call 1-866-921-5763 Monday to Friday within the hours of 8:00 a.m. - 12:00 p.m. and 1:00 p.m. - 4:00 p.m.

**Paper copies** of 2022 T4 slips will be mailed to employees who, as of February 16, 2023, had been terminated, had a status of retired, or are on leave.
