TO: Finance and Administrative Services

FROM: Tara Vicckies, Manager, Operational Accounting

SUBJECT: Staffing Announcement – Antoine Issa

I'm very pleased to share that **Antoine (Tony) Issa** has accepted the position of **Accounts Receivable Analyst (Student Collections)** within Operational Accounting. Tony will be joining us effective **Monday, March 2, 2026**.

Tony comes to the team with strong experience from his role as a Financial Aid Officer, where he has worked extensively with students on financial matters, account discrepancies, and complex funding-related issues. He brings a strong service mindset, excellent communication skills, and a solid understanding of the student lifecycle and the financial processes that support it.

In addition to his College experience, Antoine also has banking and financial services experience, which included exposure to account monitoring, privacy compliance, and working with third-party collections.

He has also completed finance related certifications, along with Certificate in Project Management and a BA in Communication Arts, giving him a strong foundation in both analytical work and structured decision making. His blend of financial knowledge, customer service experience, and clear communication skills will make him a strong fit for our team and for the student facing nature of this role.

Please join me in welcoming Tony to the Finance team — we're excited to have him on board.

If you have any questions, please do not hesitate to reach out to myself at vicckit@algonquincollege.com
