- Global leadership in successful international program delivery

An Innovative Leader in English Language Instruction

At Algonquin College in Ottawa, Canada, we teach the real-world English language skills that your students need to succeed in school and the workplace. All our ESL teachers hold a minimum of a Bachelor's degree, are TES/FL Ontario-certified and trained, and have a minimum of 300 hours in ESL theory and methodology training. We have helped thousands of students and professionals from across the world upgrade their skills in the areas of language comprehension, vocabulary, writing and grammar.

- Small class sizes ensure an intensive English immersion experience
- Dynamic environment encourages maximum interaction with teachers and fellow students
- Faculty and staff are trained and experienced in developing curriculum for international students
- Learning activities focus on active participation and critical thinking in academic and workplace contexts

Our English language programs are revised and updated annually to maintain their currency and ensure that graduates have the skills needed to be successful.

ALGONQUIN COLLEGE

State-of-the-Art Virtual Classroom Offers the Highest Quality of Instruction with Maximum Flexibility

Our online learning environment allows students to interact with teachers and classmates and participate in discussions and group work in real time, just as they would in a classroom at our Ottawa. Sixty percent of our online program is offered in real-time, with students participating in a live, interactive online class with their teacher and classmates, while the remaining forty percent is to be completed on the students' own schedule via assignments and participation in online discussion boards and voice boards.

Our online learning platform offers a rich multimedia experience that includes:

- Learning modules that seamlessly deliver lessons, activities, articles, assignments
- Assessment tools that allow students to track their progress
- A virtual announcement board
- Discussion boards and chat functionality
- Email for students and teachers
- Calendar to post due dates for assignments and exams
- Media library with video and sound clips

Your students will receive all the training and resources they need to improve their reading, writing, listening, and speaking skills and comprehension.

Five Levels to Meet Your Students' Aptitudes and Needs

Our online program offers five levels of ESL, based on the student's aptitude:

Pre-EAP 1	No proficiency
Pre-EAP 2	Survival
EAP 1	Functional
EAP 2	Professional
EAP 3	Expert

Students will be required to take a placement test to determine which level best meets their needs.

Customizable Delivery to Fit Your Students' Schedules

Each of our five ESL levels takes 200 hours to complete. We offer a flexible range of options that allow you to customize how long the program will take, based on the number of hours your students are able to study each week.

Program length	Hours of study
8 weeks	25 hours/week
10 weeks	20 hours/week
16 weeks	12.5 hours/week
20 weeks	10 hours/week
24 weeks	8 hours/week
