

International Student Level 1 Non-Transfer Acknowledgment

I, _____ (Name in Full) (Date of Birth ____/__/__) acknowledge
(Please Print) (yyyy / mm / dd)
that I have applied for a program of study that is delivered at Algonquin College's Perth

Campus. I further acknowledge that I understand the following (check each box):

I understand that once I have received a Letter of Acceptance to this program, I do not have the right to transfer from my program at the Perth Campus to the same program at any other Algonquin College or CDI College campus until after I have completed level 1.

The Perth Campus is located at 7 Craig Street in Perth, Ontario, Canada. The beautiful town of 6,000 people is located approximately 80km (1 hour drive) from Ottawa.

The Perth Campus welcomes approximately 300 students each year; offering smaller class sizes and creating an intimate, close-knit community feel.

The International Education Centre is located at Algonquin College's Ottawa Campus, and the office works collaboratively with staff at the Perth Campus to best support international students.

I will review and understand all additional terms and conditions contained in the Letter of Acceptance that I will receive if I am admitted into the program.

I understand there is no public transit within the town of Perth, so it will be important to find suitable housing that is within walking distance of the Perth Campus.

Algonquin College offers arrival services in Ottawa and will provide some support in finding accommodation in Perth but does not guarantee student accommodations. Students should be pro-active in searching for housing options on their own.
