

## Intentional Student Downtown Sussex Campus Acknowledgment

I, \_\_\_\_\_ (Name in Full) (Date of Birth \_\_\_\_/\_\_\_\_/\_\_\_\_) acknowledge (Please Print) (yyyy /mm/ dd) that I have applied for a program of study that is delivered at **Algonquin College's Downtown Sussex Campus**. I further acknowledge that I understand the following (check each box):

I understand that the Addictions and Mental Health program is delivered at the Algonquin College Downtown Sussex Campus and not at the Algonquin College Ottawa Main Campus, and that I can NOT transfer from the Addictions and Mental Health program delivered at the Downtown Sussex Campus to the same program at the Ottawa Main Campus on Woodroffe Avenue as the program is only delivered at the Downtown Sussex Campus.

The Downtown Sussex Campus is located at 700 Sussex Drive in Ottawa, Ontario, Canada. The Downtown Sussex Campus is a small satellite location of the Ottawa Main Campus on Woodroffe Avenue, Ottawa, and is situated in the centre of Ottawa adjacent to the National Parliament, Byword Market, and Rideau Canal and is well served by Ottawa's public transportation system. Transit time, on public transportation, to the Ottawa Main Campus on Woodroffe Avenue is between 40 and 60 minutes via bus and the O-Train.

The Downtown Sussex Campus delivers both Algonquin College Corporate Training programming and the Addictions and Mental Health program; offering smaller class sizes and creating an intimate, close-knit community feel.

The International Education Centre is located at Algonquin College's Ottawa Main Campus on Woodroffe Avenue, and services can be accessed either remotely/virtually or in-person at the Main Campus.

All other student and academic support programming and services are located at Algonquin College's Ottawa Main Campus. Many, though not all services can be accessed remotely/virtually, but some may only be available at the Ottawa Main Campus. For more information on these services visit <https://www.algonquincollege.com/studentssupportservices/>.

The ARC fee, which gives students access to the Algonquin's Jack Doyle Athletics and Recreation Centre) at the Ottawa Main Campus, and normally charged as an ancillary fee, will be waived for students studying at the Algonquin College Downtown Sussex Campus and as a result students will not have access to the ARC facility. Students can opt into the fee and access the Recreation Centre, if they wish.

I will review and understand all additional terms and conditions contained in the Letter of Acceptance that I will receive if I am admitted into the program.

Algonquin College offers the same arrival services for students entering programs at the Downtown Sussex Campus as for students at the Ottawa Main Campus and will provide limited support in finding accommodation but Algonquin College does not guarantee student accommodations. Students should be pro-active in searching for housing options on their own.
