

## RENFREW COUNTY SKILLS COMPETITION Scope of Team Carpentry (Teams of 3)

### Purpose of the Competition:

To test the skill, knowledge and attention to detail of a group of students to work as a team in carpentry, and to prepare each student for the demands of industry.

**Each school can send a maximum of two (2) teams of 3 students.**

### Skills and Knowledge to be tested:

- To demonstrate skills and knowledge of reading drawings, safe operation of portable power and hand tools, and carpentry techniques.
- To work in a safe, competent and neat manner
- Build a quality project prepared and ready for finishing
- All phases of measurement will deal exclusively in imperial measure

### NOTE:

- The competitors will be located outside, thus appropriate clothing should be worn.
- The competitors will be constructing an outdoor furniture project. Drawings will be shared with schools ahead of the competition.
- No communication with teacher advisors or visiting students during the competition. All questions to be directed to the judges.
- **All tools should be in good condition**
