ALGONQUIN

Changing Lives

Congratulations!
Class of 2020

Message from the Board of Governors

Graduation is a time to be proud of all that our learners have achieved. On behalf of the Algonquin College Board of Governors, I am pleased to share in the pride that you, our learners, your families and supporters experience today. Your hard work and dedication towards your success is celebrated today.

As you transition to the next phase of your lifelong learning journey, I hope that the experiences that you have had at Algonquin College will support you and enable you to continue to “transform your hopes and dreams into lifelong success”. Our world is undergoing the most rapid rate of change that it has ever experienced. Each of you will face many opportunities and challenges for advancement. Algonquin College is constantly engaged in preparing our learners for this world of change. Should you require further upgrading of your education, don’t forget to consider returning to our campuses or to take advantage of our extensive online learning resources.

As you become an alumnus of Algonquin College, I encourage you to stay in touch. The contacts that you have made with Faculty and Staff can remain as an ongoing resource as you leave this institution of learning. Your friends and colleagues at Algonquin can remain as such for many years to come. Share your experiences and success with them.

Our Faculty, Staff, our Executive Team and the Board of Governors are pleased that you chose Algonquin in your search for education. As graduates you have an opportunity to become ambassadors of Algonquin College. Share your enthusiasm with others who may be interested in joining our family of learners. Your ability to pass on recommendations for choosing Algonquin as a centre of high-quality, applied, and hands-on learning, is appreciated.

As you go forward in your careers, carry with you, in your relationships and in your workplace, the set of values that Algonquin has provided while you were here: “Caring, Learning, Integrity and Respect.”

Congratulations and best wishes for success, to each of you in your future endeavours.

Jay McLaren
Chair of the Algonquin College, Board of Governors

Message from the Member of Provincial Parliament

Dear Graduates

As the MPP for Renfrew-Nipissing-Pembroke, I hope your experience in the heart of the Ottawa Valley as a student at Algonquin College has been memorable. While living here, I hope that you had the opportunity to explore and experience the rich culture and diversified ethnicity found throughout the entire County.

Congratulations on achieving this scholastic milestone. May the knowledge you have gained and the friendships you have made last a lifetime. Take the knowledge and experience you have gained in Pembroke and apply it to not only serve your community but to positively impact your new profession.

Past graduates of the various programs through Algonquin College's Pembroke Waterfront Campus have gone on to successful careers both in this region and beyond.

Best wishes for all future endeavours.

John Yakabuski, MPP
Renfrew-Nipissing-Pembroke

The History

Our coat of arms is steeped in symbolism, reflecting Indigenous and Canadian cultures. The creation process for the emblems was done in consultation with the College's Aboriginal Education Council and its Mamidosewin Centre, as well as the Kitigan Zibi Anishinabeg and Algonquins of Pikwàkanagàn First Nations.

Algonquin's Proud Heritage

Algonquin College is situated on unceded, unsundered territory of Algonquin people. Traditionally known as "Anishinabe", Algonquin people are the original inhabitants of the wide swath of territory along the Ottawa River on which Algonquin College's campuses in Ottawa, Pembroke, and Perth now sit. To honour and recognize the Algonquin People, the college adopted the name Algonquin when it was founded in 1967.

In Algonquin culture, it is appropriate for guests to acknowledge the hospitality of their hosts when entering their territory. With this tradition in mind, Algonquin College respectfully thanks the Algonquin people for hosting us on their ancestral lands; both today during this ceremony and each day on our campuses in Ottawa, Perth, and Pembroke. Meegwetch (thank you).

Algonquin College is proud of its strong partnership with the First Nation, Métis, or Inuit communities and organizations with whom we share the common goal of supporting Indigenous learners as they strive for academic and career success. This partnership is realized in many ways, one of which is through Algonquin College's Indigenous Education Council (IEC). This council brings members of First Nation communities and organizations together with Algonquin College leaders and students to identify the unique needs of our Indigenous learners and to work together to meet those needs. The members of Algonquin College's Indigenous Education Council for 2019-2020 were as follows:

Peter Decontie, Elder, Kitigan Zibi Anishinabeg First Nation

Della Meness, Manager of Education Services, Algonquins of Pikwàkanagàn First Nation

Anita Tenasco, Director, Kitigan Zibi Education Sector, Kitigan Zibi Anishinabeg First Nation

Amanda Kilabuk, Manager, Employment Services, Tungasuvvingat Inuit

Elaine Jeffery, Employment and Training Coordinator, Métis Nation of Ontario

Dwight Bero Jr., Post-Secondary Manager, Ahkwesàhsne Mohawk Board of Education

Robert Jerome, Education Counsellor, Urban Aboriginal Alternate High School Program, Odawa

Ron McLester, Algonquin College

Andre O'Bonsawin, Algonquin College

Sherryl Fraser, Algonquin College

As a result of these partnerships, Algonquin College maintains a strong commitment to the over 1,100 learners of First Nation, Métis, and Inuit heritage who attend our institute each year. Algonquin offers high-quality programs and services reflective of Indigenous culture and values; such as the Mamidosewin Indigenous Student Centre, the Pathways to Indigenous Empowerment Program, the Indigenous Studies Program and the Indigenous Pre-Apprentice Cook Program. Algonquin College is honoured that so many First Nation, Métis, and Inuit learners choose to join the College community.

Every effort is made to ensure accuracy in the compilation of names of this year's graduates. Graduate status is confirmed on the official transcript and/or by the issuance of an Algonquin credential.

This list of graduates includes, to the best of our ability, the names of all students declared eligible to graduate within the past year. We offer sincere apologies if any names have been omitted.

An asterisk (*) beside the name of a program or the name of a student indicates that eligibility to graduate has not yet been approved. Graduate status is still provisional.

Our commitment to your success

GRADUATE FOLLOW-UP SURVEY

As an Algonquin graduate, your success is important to us. Our continued commitment to you in terms of excellence, quality, and accountability includes our participation in the province-wide Ministry of Training, Colleges and Universities Key Performance indicators (KPI) survey.

This survey will be conducted six months following graduation. A consulting firm, Forum Research will telephone you (they will identify themselves as Algonquin Forum) to administer the graduate version of the KPI survey. The survey collects data related to your college experience, employment status and salary level.

When contacted, Forum Research will ask you what Algonquin College is doing right, and how we can improve, so the Ministry will continue to give your college the support it needs to offer leading-edge education and training.

Forum Research will ask you to provide your current employer's contact information so they, too, can be surveyed about the education and training Algonquin graduates receive. We hope that you will advise your employer that they will be contacted by Forum Research.

To facilitate this process, please ensure that we have your current telephone number. You can update your contact information through ACSIS: acsis.algonquincollege.com
