

## August 23-24, 2026

PARENTS’ PROGRAM is designed to introduce parents/families of Outdoor Adventure students to a first-hand look at both the Wilderness Tours campus in Foresters Falls, the Waterfront Campus in Pembroke, and to learn more about this exciting post-secondary program of study. We want to answer any questions you may have and better prepare you for what to expect from the Outdoor Adventure program. Part of the experience will allow participants to watch the students head down river in rafts and you can take advantage of the activities at the Wilderness Tours resort in your free time.

Please register for the **Parents’ Program**. This is an overnight event from Sunday to Monday. Overnight accommodations are available on-site. Please see below for further details.
