POLICY

1. The College, concerned for the health and safety of the College community, prohibits in-line skating, skateboarding and bicycling inside College buildings, and restricts their use outside College buildings.

2. Students, employees and visitors may use their in-line skates, skateboards, and bicycles on the College roads and pathways, provided the activity conforms to generally accepted safety practices.

3. Guidelines for the storage of in-line skates, skateboards, and bicycles on campus are as follows:

   3.1 Skateboards and in-line skates may be stored in lockers, cubicles, or offices provided the storage does not create an obstruction or present a hazard such as tripping or slipping.

   3.2 Bicycles must be locked in the bike racks when not in use.

4. The College prohibits the use of in-line skates, skateboards, or bicycles for trick or extreme riding techniques, using the College physical attributes such as stairs, railings, retaining walls, curbs.
5. Members of the College community who do not comply with this policy may be subject to disciplinary action in accordance with the applicable College disciplinary process (Employee disciplinary processes or Student Conduct Policy).

6. Members of the general public who refuse to comply with this policy will be removed from the College premises.
