The students are to contact their Academic Administrator for the eligibility criteria, pre-approved by the Dean, to qualify to appear on the Dean's Honours List.
5. Should a student have an Incomplete (I) course at the end of the term, they will not receive recognition as a member of the Dean's Honours List until the course is completed and the final term GPA is determined to be within the qualifying range.
6. A personal letter of commendation is made available to students who qualify for the Dean's Honours List upon completion of the academic term, accessible through their ACSIS accounts to *view*, *print*, or *save*.
