

## Formative Course Feedback

Please answer THREE out of the four questions to ensure I am addressing your learning needs before the end of this term.

1. Which learning activities (group discussions, collaborative online activities, jigsaw and reflection/one minute papers) helps you the most in learning the material in this course?

---

Because...

---

---

2. Which learning activities help you the least?

---

Because...

---

---

3. Which topics are still challenging to you?

---

Because...

---

---

4. What has a professor done in the past that has helped you learn?

---

Because...

---

---
