

THINKING OF

HOOKING UP

IS THE PERSON:

Slurring their words?

Walking in a shuffle?

Unable to keep their eyes open?

If you answered yes to any of these questions, your partner is either too wasted to consent to sexual activity or a zombie.

WARNING: BEING DRUNK OR HIGH AFFECTS A PERSON'S ABILITY TO GIVE CONSENT.

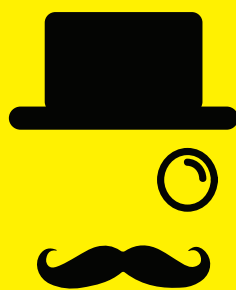

HALLOWEEN COSTUMES

DON'T EQUAL

CONSENT

HOWEVER YOU DRESS, WHEREVER YOU GO,
