## Be Heard, Be Seen & Be Ready!

### BE SEEN

Equip your bike with a headlight and taillight for night riding

### BE READY

Always wear running or cycling shoes while riding

### BE HEARD

Equip your bike with a bell or horn to signal pedestrians and drivers, and to pass other bikes safely

### BE SEEN

Use reflectors and reflective tape on your helmet, clothes, and bicycle

### BE READY

Equip your bike with a cage and water bottle that can be easily and safely accessed

### BE SEEN

Wear lightly-toned or brightly-coloured clothing

### BE READY

Avoid loose fitting pants that can get tangled in your bike chain
