

Changing Your Timetable - Drop/Add/Transfer

Change your timetable for the upcoming semester using the Algonquin College Student Information System, otherwise known as <u>ACSIS</u>.

Notes:

- Timetable changes can only be completed through ACSIS during the Timetable Change Period (see <u>Important Dates</u>).
- We recommend students contact their <u>Student Success Specialist</u>, <u>Program Coordinator</u>, or <u>AC Online</u> <u>Student Pathway Advisor</u>, for advice before making changes.

STEP 1

Log in to <u>ACSIS</u>, using your student number.

| | Many at ideal another much and another |
|---|--|
| Student Number: | or humbers and must be in the form 012245679 |
| e.g.: 012345678 | and is located on your Student Card |
| Next | and is focated on your student card. |

If you wish to change the date/time/delivery of a course that is already in your timetable, click *Section Transfer*. (Proceed to "Step 5A – Section Transfer" in this How-To Guide)

If you wish to withdraw from a course and remove it from you timetable, click *Drop*. (Skip to "Step 5B – Drop a Course" in this How-To Guide.)

If you wish to add a new course to your timetable (including elective courses), click *Add.* (Skip to "Step 5C – Add" in this How-To Guide.)

STEP 5A – Section Transfer

If you selected Section Transfer, you will be provided with a list of the courses <u>from your timetable</u> that have alternative sections available. You can select *Display Timetable* as a reminder of the dates and times of the sections that are already in your timetable.

Select a course whose section you wish to change and then click Load Available Sections.

If the course you wanted to change does not appear in the list of available courses for section transfers, or if you receive the message "There are no approved course sections available that you may transfer out of. Please see

your department" then contact your <u>Student Success Specialist</u>, <u>Program Coordinator</u>, or <u>AC Online Student</u> <u>Pathway Advisor</u>.

Note: You can only select/change one course at a time. If a second course is automatically selected, this means the two courses are linked courses called "Aggregate/Disaggregates" and they must be changed together

STEP 6A – Section Transfer

You will be provided with a list of alternative sections that are available for your course. Click *Display Timetable* beside each section to view the date/time that section is offered. Select the section that you wish to switch into, then click *Transfer*.

If you do not want to change into any of the alternate sections available, click Cancel.

How-To Guide

STEP 6A – Section Transfer

You will be shown a new list of your courses reflecting the change you have made. This change will be listed as pending. Review the information to make sure it is correct.

If you are happy with the change, click Confirm Changes.

Note: If you do not click Confirm Changes, your change will not be saved.

Your will be shown your new timetable. Your course section transfer is now complete.

STEP 5B – Drop a Course

If you selected *Drop*, you will be provided with a list of the courses from your timetable that you are allowed to drop without special permission from your academic department. You can select *Display Timetable* as a reminder of the dates and times of the sections that are already in your timetable.

Select a course whose section you wish to remove from your schedule and then click Drop.

If the course you wanted to drop/withdraw from does not appear in the list of Available Course Sections for Dropping, or if you receive the message "There are no approved course sections available that you may drop. Please see your department" then contact your <u>Student Success Specialist</u>, <u>Program Coordinator</u>, or <u>AC Online Student Pathway Advisor</u>.

Note:

- You can only drop one course at a time. If a second course is automatically selected, this means the two courses are linked courses called "Aggregate/Disaggregates" and they must be removed together.
- Students must complete all courses in a program to graduate.
- Students are encouraged to contact their <u>Student Success Specialist</u>, <u>Program Coordinator</u>, or <u>AC</u> <u>Online Student Pathway Advisor</u> for academic advice before dropping/withdrawing from a course

STEP 6B – Drop a Course

You will be provided with a new list of your courses and a new timetable. The course that you dropped will have been removed from both. Review the information to be sure it is correct.

If you are happy with the change, click Confirm Changes.

Note: If you do not click Confirm Changes, your change will not be saved.

| Courses | | | | | | | | |

Your will be shown your new timetable. You have now successfully dropped your course.

STEP 5C – Add a Course

If you selected *Add*, you will be provided with a list of the courses from your program that you are allowed to add without special permission from your academic department. Click *Display Timetable* beside each section to view the date/time that section is offered.

Select a course/section that you wish to add to your schedule and then click Add.

If the course you wanted to add does not appear in the list of Available Course Sections for Adding, or if you receive the message "There are no approved course sections available that you may add. Please see your department" then contact your <u>Student Success Specialist</u>, <u>Program Coordinator</u>, or <u>AC Online Student Pathway Advisor</u>.

| | Availal | ble Course S | Sections | For Adding | | | |
|---|----------|--------------|----------|---------------------|----------------|--|------------------------------|
| | Select | Course | Section | Instruction Mode | Course Type | Course Title | Display Section Timetable |
| | | CST8300 | 315 | On-line - Hybrid | Theory | Achieving Success in Changing Envir | Display Timetable |
| • | v | CST8300 | 320 | On-line - Hybrid | Theory | Achieving Success in Changing Envir | Display Timetable |
| | | MAT8001C | 040 | Standard | Theory | Tech Math for Computer Science | Display Timetable |
| | | MAT8001C | 050 | Standard | Theory | Tech Math for Computer Science | Display Timetable |

Check off the course section(s) you want to add.

NOTE: In the case of Aggregates / Disaggregates, if you add the aggregate, you must also select one of its disaggregate. You cannot add only the disaggregate by itself. Aggregate/Disaggregate: When a large group of students in a course section splits into smaller groups for a specific number of hours for the same course, the large group is considered the aggregate course section and the smaller groups are disaggregates of it. Students must register in both the aggregate and disaggregate course sections, but only one grade is assigned to the student for the course.

Note: You can only add one course at a time. If a second course is automatically selected, this means the two courses are Aggregate/Disaggregates and they must be added to your timetable together.

STEP 6C – Add a Course

You will be shown a new list of your courses reflecting the change you have made. The course that you added will be listed as pending. Review the information to make sure it is correct.

If you are happy with the change, click Confirm Changes.

Note: If you do not click Confirm Changes, your change will not be saved.
