Music Industry Arts
1405X04FWO
2024-2025 Academic Cycle
Letter of Intent

All applicants to the Music Industry Arts program must the following 3 components:

1. An entrance essay outlining why you should be considered for acceptance to the Music Industry Arts program. Include any relevant experience or education.
   - Include your full name, address & student number
   - Minimum 500 words, maximum 700 words.
2. One recording in .MP3 format that includes 3 separate distinctive elements in the recording (ie. Voice, drums, keys)
   - The MP3 should be minimum 30 seconds and maximum 5 minutes in length
   - Do not send more than one MP3 file and do not zip the file or send a download link
   - The MP3 file should be compressed to a reasonable file size (5MB) for e-mail applications
3. A separate document with the following:
   - The title of the recording & the creator/songwriter
   - Detail your involvement in the recording (producer, engineer, songwriter, performer…)
   - List all recording equipment and software used for the recording
   - Describe the recording process and any techniques applied

Applicants who do not follow these specific instructions or have missing components will be denied.

Send these 3 components in a single e-mail as attachments to mia@algonquincollege.com. Include your full name and student number in the body of the e-mail.
