

**Progressions for WDIA Standard (non-Co-op) and WDIA Co-op** (previously known as IAWD)

Students in the Web Development and Internet Applications program have applied to (through OCAS), and are registered in, one of two possible progressions: 3002X01FWO WDIA Standard (non-Co-op) or 3002X03FWO WDIA Co-op.

**WDIA Standard (non-Co-op) Progression**

**3002X01FWO**

**Note:** WDIA students in the Standard progression have a break after Level 2. By default, students are expected to take this break and therefore are not expected to be in classes during break terms. If you do not wish to take a break, you must speak to your Academic Advisor to have your progression changed. Students in the Co-op progression have no break throughout their program.
